### EXPERIENCE

---

**ABOUT PIOLO & MAX:** This craft spirits producer works from a facility in the heart of the Friuli Venezia Giulia capital city of Trieste. This historic port city occupies a thin strip of land between the Adriatic coast and Slovenia's border on the limestone-dominated Karst Plateau. Italian, Austro-Hungarian and Slovenian influences are all evident in its layout, which encompasses a medieval old city and a neoclassical Austrian quarter. The Piolo & Max range is truly small batch production -- very much made to order as customer demand dictates. The small team of five crafts each product, bottles, and labels by hand.

**CHARACTER:** Aromas and taste of juniper, orange peel, fennel and many other spices that recall the vast and varied territory of Central Europe. The result is surprising, delicately-scented and harmonious gin.

**ENJOY WITH:** The complexity of Middleurope Gin lends itself to a simple martini and is also the backbone of your favorite gin-based cocktails. Love a Negroni? Make it all Piolo & Max style with Vermut Woman in Red and P&M's bitter, Tizio Rosso.

### PRODUCTION

---

**INGREDIENTS:** A proprietary blend of herbs and spices are held in suspension to impart the delicious array of flavors from Middleurope Gin. A splash of Elderflower syrup rounds out the complex foundation of this spirit.
