## EXPERIENCE

**ABOUT PIOLO & MAX:** This craft spirits producer works from a facility in the heart of the Friuli Venezia Giulia capital city of Trieste. This historic port city occupies a thin strip of land between the Adriatic coast and Slovenia's border on the limestone-dominated Karst Plateau. Italian, Austro-Hungarian and Slovenian influences are all evident in its layout, which encompasses a medieval old city and a neoclassical Austrian quarter. The Piolo & Max range is truly small batch production – very much made to order as customer demand dictates. The small team of five crafts each product, bottles, and labels by hand.

**CHARACTER:** The flavor is light, sweetly floral, and fragrant, with notes of citrus and pear. The central character comes from Elderflower, the beautiful blossoms on Italy's native Elder trees.

**ENJOY WITH:** The bright and fragrant flavor of Piolo & Max Elderflower liqueur is the crowning touch in a variety of cocktail recipes.

## PRODUCTION

**INGREDIENTS:** Elderflower liqueur's flavor characteristics go far beyond its simple components— an alcohol base and highly sought after and decadent organic Elderflower syrup.

## SOURCING

**MADE IN ITALY:** Piolo & Max proudly sources its ingredients from in and around Friuli Venezia Giulia. Trieste is a thriving port city of just over 200,000.
