PERSONAL WINE SHIPPING SERVICE

Joy of Italy's partner, Uva Imports, LLC, as a licensed wine importer, can make transportation arrangements for your personal wine. If you wish to purchase wine while on the tour at any winery or enoteca, you may consign your purchases to Uva Imports for consolidation and transport to the U.S. on a refrigerated container.

The transport will take a minimum of 10 weeks to arrive in the U.S. The transportation charge is \$50 per 12 - 750 ml bottles / 9 liters of wine (minimum transportation charge is \$50) increments based on quantity of wines consigned. Consigned wine may be picked up in Atlanta at the Uva Imports warehouse or ship to any qualifying U.S. address. Wine not picked up or shipped from warehouse within 6 months of arrival will be subject to then-current storage rates.

If you would like consigned wine delivered to your home or business by FEDEX, there will be an additional fee of \$14 per 12 bottles for the certified shipping carton plus the cost of FEDEX delivery to your address. Please note, however, that Uva Imports can only ship 750ml bottles of wine. 1.5-liter bottles or larger must be picked up from the Atlanta warehouse. You may email Eric@UvaImports.com to request a quote for the total cost of FEDEX delivery of 12 bottles from the warehouse to your address.

Check this box if you agree to the foregoing Personal Wine Shipping Service terms and autho-rize associated charges to be billed to your provided credit card. No consignment or shipping charges will be billed to your credit card until you request consignment during your tour.

Note: When requesting consignment shipment during your tour, a copy of the invoice for wines to be shipped (listing the number of bottles, types of wines and value for insurance purposes) must be given to Adam or Natalie Richard. Please keep a copy for your records.

IMPORTANT NOTES

Itineraries are subject to change: Europe is unpredictable and we need to be flexible with our schedule to provide you with the best possible tour. Uncompleted portions of the tour itinerary are not cause for refund.

Participation: Joy of Italy Tours are physically active, our hotels are centrally located but may provide fewer American-style amenities than U.S. hotels. Participating in a tour you assume certain obligations and responsibilities including, but not limited to, the following:

1. Carry or roll your own luggage for up to 15 minutes over uneven pavement from the bus to the hotel
2. Be comfortable climbing stairs, standing and walking for up to four hours inside and outdoors in all weather conditions.
3. Sleep with street noise and European heat and air conditioning, which may seem weak by U.S. standards.

Our tour guides cannot provide assistance for any of these activities! Tour members requiring help must be accompanied by an able companion who can be entirely responsible for providing the assistance. (If you have concerns about the physical demands of our tours, please call us!)

CANCELLATION POLICY

Cancellations must be in writing: sent via email to tours@uvainports.com

REFUNDS:

No refund will be issued for unused portions of your trip, cancellations made after the trip has begun or early departures for any reason.

FINAL DOCUMENTS

You will receive, via email, 30 days prior to your trip departure date, your final trip itinerary with full details of our tour.

INSURANCE

We strongly recommend that you purchase travel insurance and trip cancellation/ interruption insurance to protect your valuable travel investment. Travel insurance has to be issued independently in the Country of Residence.
