Glacial deposits created a strata of compact clay, limestone and marl. Organic farming practices.

Winemaking

Winemakers: Fabio & Paolo Zenato
Fermentation begins with skins for eight hours in stainless steel. Secondary fermentation is 20-day Charmat method. Wine rests on the lees 60 days.

Production

400 cases

Le Morette

The aromas wafting up from Le Morette Cepage Rosé Sparkling bring to mind the shopping basket of a springtime trip to the farmer's markets. The, bright, rose-colored wine explodes with aromas of yellow peaches and strawberries. The fresh, fruity flavor of this uniquely crafted rosé is derived from three of the Veneto's most popular grapes: Corvina, Rondinella, Molinara. Well-balanced with a crisp, dry finish.

For centuries, winemakers have produced rosé from vineyards overlooking picturesque Lake Garda. Le Morette Cepage Rosé is a testament to that heritage – and a spectacular example of these grape varieties diversity.

VARIETAL NOTES

Corvina: A late ripening grape that is mainly grown in the Veneto region of Italy. It has very thick skin and is known for having high acidity, low tannins and notes of sour cherry and bitter almond.

Rondinella: Produces high yields and has thick skin which makes it resistant to disease and excellent for drying out.

Molinara: A light bodied grape commonly used to add acidity to red blends. It is highly susceptible to oxidation, which has caused its production to drastically decline.

FOOD PAIRING

Le Morette Cepage Rosé is a perfect wine for entertaining. With a nice chill, it drinks deliciously by itself, the crispness inviting sip after sip. Pair with a wide range of appetizers ranging from mellow cow's milk cheeses to truffle paté; smoked chilled shrimp to grilled chicken skewers.
