La Torretta

The Veneto lends its special character to this stainless steel fermented Chardonnay. The vinification methods keeps the juice, fresh, crisp and bright on the palate with bracing notes of minerality. Light straw color. Dry, lively and spicy taste. Bouquet of golden apples and hint of honey. Harmonious and well balanced.

VARIETAL NOTES

This green-skinned grape variety is the workhorse of the white wine world. The grape itself is typically somewhat neutral, with many of its flavors derived from such influences as terroir and oak aging. It is vinified in many different styles, from the elegant, "flinty" wines of Chablis to rich, buttery Meursaults and New World wines with tropical fruit flavors.

FOOD PAIRING

Ideal chilled in a glass while watching the sunset or cooking out with friends. Compatible with many appetizers or hors d'oeuvres, light meals, rice and fish dishes. This is a wine best enjoyed while it is young.

La Torretta (The Tower) rises above rolling noble vineyards to stand for the rich Italian winemaking tradition expressed in each bottle. These wines are all estate fruit and hand harvested on small, family-owned vineyards -- a testament to the passion and purity of winemaker and International Wine Group founder Fabrizio Fichera.

The International Wine Group has the best of Italy's Vineyards at its disposal. Fabrizio brings 30 years of experience in the wine business along with a vast knowledge of its terroirs to La Torretta. This experience and Fabrizio's respect for the Vignerons who share his passion and love of land, rounds out the dynamic team that crafts LaTorretta.

Fabrizio carefully selects wines that are elegant, balanced and harmonious. La Torretta wines appeal to international tastes and still possess a singular style across a range of iconic varietals: Cabernet Sauvignon, Merlot, Chardonnay, Pinot Grigio, Pinot Noir, Moscato and Spumante.
