Terroir

Sandy with rocks and sea fossil residue. Organic farming practices.

Winemaking

Winemakers: Aldo & Paolo Demarie
Temperature-controlled fermentation in stainless steel vats.

Production

1250 cases

Demarie

In the glass Arneis is brilliant, sunny, bright with shades of straw yellow and green reflections. The aroma is full and well-established with hints of peach and apricot, wild broom and camomile. The flavors are well-balanced, fresh and persistent.

VARIETAL NOTES

In traditional local culture, the name Arneis is given to someone who is an extrovert, a bit of a rebel, original but with a certain charm. This fine white wine from the Roero hills shows all the excellent qualities of its name.

The sandy terroir provides this wine with a full intense aroma, and the limestone and clay, its strong body and structure. One of the great white wines of Piedmont, Arneis is the result of a lucky rediscovery, due to the intuition, headstrong passion, and the business capacity of the winegrowers of the Roero region. Within a very short time, this authentic champion of local wine-making has made itself a name in the list of international quality wines.

FOOD PAIRING

Careful not to over chill or you overshadow the wine's character -- serve between 46-50 degrees F. Excellent as an aperitif, it is perfect with hors d'oeuvres, light, vegetable first courses. Ideal also with fish or poultry. This wine lends elegance to simple herbed and roasted chicken.

DEMARIE

Hover over the heart of the Italian Piedmont and then zoom down amid the rolling hills -- you touchdown in the famed Langhe region. This picturesque landscape and its sunny hillsides are home to an amazing range of grape varietals that represent the backbone of Italy's most respected wines. The winery is on the Roero side of the Tanaro River. The vineyards are on both sides of the river in 14 different locations that produce the best wines of the Piedmont.

Three generations of the Demarie Giovanni family have called the region and the village of Vezza d'Alba home. The family's hard work, expertise and love of winemaking have, since its founding in 1957, carved out 74 acres that yield spot-on examples of the region's special terroir.

True to Uva Import's mission of sourcing the best wines from family owned and operated vineyards, the Demarie story epitomizes that strategy. Paolo and his wife Monica bring backgrounds in finance to the table -- and bolster that with a consuming passion for the wine industry. Brother Aldo learned the agricultural side of business firsthand -- spending all of his life in the vineyard with his father.

With history reaching into the Middle ages, today the tiny paradise of hills and vineyards is well-known for its sandy terroir that is rich in sea fossil residue. Guyot-trained vines thrive on sunny slopes and alternate with abundant fruit and hazelnut orchards.
