*Demarie*

Its brick-red color with ruby shades is a tip-off to drinkers that this wine is something special. Aromas are complex and well balanced, offering an array of sensations reminiscent of spices, a spring garden of violets, roses and geraniums. Likewise, the palate is treated to another round of well balanced tastes that present as a racy expression of ripe dark fruit, spice and vanilla.

### VARIETAL NOTES

To the north-east of Alba the hills open into sweeping vineyards that fall toward the Tanaro River. The region hosts more than 1600 acres of vineyards that gift us with just under 3 million bottles of DOCG Barbaresco. Grapes for the best Barbaresco are hand sorted and aged in oak.

### FOOD PAIRING

Grilled or roasted red meat (Perfect for a rib-eye steak), smoked pork, sharp, rich cheeses. Enjoy up to 10 years after vintage year.

# DEMARIE

Zoom over the heart of the Italian Piedmont and then zoom down amid the rolling hills -- you touch down in the famed Langhe region. This picturesque landscape and its sunny hillsides are home to an amazing range of grape varietals that represent the backbone of Italy's most respected wines. The winery is on the Roero side of the Tanaro River. The vineyards are on both sides of the river in 14 different locations that produce the best wines of the Piedmont.

Three generations of the Demarie Giovanni family have called the region and the village of Vezza d'Alba home. The family's hard work, expertise and love of winemaking have, since its founding in 1957, carved out 74 acres that yield spot-on examples of the region's special terroir.

True to Uva Import's mission of sourcing the best wines from family owned and operated vineyards, the Demarie story epitomizes that strategy. Paolo and his wife Monica bring backgrounds in finance to the table -- and bolster that with a consuming passion for the wine industry. Brother Aldo learned the agricultural side of business firsthand -- spending all of his life in the vineyard with his father.

With history reaching into the Middle ages, today the tiny paradise of hills and vineyards is well-known for its sandy terroir that is rich in sea fossil residue. Guyot-trained vines thrive on sunny slopes and alternate with abundant fruit and hazelnut orchards.
