Demarie

Barolo presents with a deep and velvety garnet red color that develops orange reflections as it ages. This is an intense wine redolent with notes of violet and vanilla. Its balance is beyond compare but still delivers a complex range of flavors and aromas that mesmerize wine drinkers who appreciate its heritage.

VARIETAL NOTES

Its name derives from the Italian word for fog -- nebbia -- in reference to fog that settles over hillside vineyards in the fall, a signal that grape harvest is near. Unlike its counterpart from other parts of Langhe, Barolo is the ultimate expression of Nebbiolo and its terroir. Its rich character and storied heritage assure Barolo remains the definitive "King of Wines." This wine exhibits robust fruit, oaky tannins and enjoyable smokiness -- a perfect foundation for age-worthy Barolo.

FOOD PAIRING

Grilled or roasted red meat, wild game dishes, smoked pork, or sharp, rich cheeses. Enjoy up to 10 years after vintage year.

DEMARIE

Zoom over the heart of the Italian Piedmont and then zoom down amid the rolling hills -- you touch down in the famed Langhe region. This picturesque landscape and its sunny hillsides are home to an amazing range of grape varietals that represent the backbone of Italy's most respected wines. The winery is on the Roero side of the Tanaro River. The vineyards are on both sides of the river in 14 different locations that produce the best wines of the Piedmont.

Three generations of the Demarie Giovanni family have called the region and the village of Vezza d'Alba home. The family's hard work, expertise and love of winemaking have, since its founding in 1957, carved out 74 acres that yield spot-on examples of the region's special terroir.

True to Uva Import's mission of sourcing the best wines from family owned and operated vineyards, the Demarie story epitomizes that strategy. Paolo and his wife Monica bring backgrounds in finance to the table -- and bolster that with a consuming passion for the wine industry. Brother Aldo learned the agricultural side of business firsthand -- spending all of his life in the vineyard with his father.

With history reaching into the Middle ages, today the tiny paradise of hills and vineyards is well-known for its sandy terroir that is rich in sea fossil residue. Guyot-trained vines thrive on sunny slopes and alternate with abundant fruit and hazelnut orchards.
