La Torretta

The Veneto's best sunny hillsides are chosen for these Pinot Grigio vineyards. This is Pinot Grigio with excellent body and imminent approachability. Light straw color. Fine, elegant, clean and intense aroma. Dry, with a pleasant fruit aftertaste.

VARIETAL NOTES

"Pinot" comes from the French word for "pinecone" and is given to this grape because it grows in small clusters that resemble the shape of a pinecone. While "Grigio" is derived from the French word "Gris," meaning "gray" because the grape traditionally has a gray or blue color, although at times it can be more pink or black in appearance. In Italy it is predominately grown in Alto-Adige, Veneto and Friuli.

FOOD PAIRING

Excellent as aperitif with hors d'oeuvres, seafood salads, fish dishes, with white meats and light meals in general. Chill into the low to mid-40s F – we love ours with grilled and chilled shrimp.

La Torretta (The Tower) rises above rolling noble vineyards to stand for the rich Italian winemaking tradition expressed in each bottle. These wines are all estate fruit and hand harvested on small, family-owned vineyards -- a testament to the passion and purity of winemaker and International Wine Group founder Fabrizio Fichera.

The International Wine Group has the best of Italy's Vineyards at its disposal. Fabrizio brings 30 years of experience in the wine business along with a vast knowledge of its terroirs to La Torretta. This experience and Fabrizio's respect for the Vignerons who share his passion and love of land, rounds out the dynamic team that crafts LaTorretta.

Fabrizio carefully selects wines that are elegant, balanced and harmonious. La Torretta wines appeal to international tastes and still possess a singular style across a range of iconic varietals: Cabernet Sauvignon, Merlot, Chardonnay, Pinot Grigio, Pinot Noir, Moscato and Spumante.
